

## Flint's Fine Furniture SHERATON SIDEBOARDS.

Go back a few centuries. Where were sideboards first made? England probably; Milton mentions them. Their like is here now; with all the best styles of the generations since.

Our Sheraton designs—long, low, slim—leg—the very acme of grace and elegance. Notice the simple refinement of finish. Look at the interior fittings—deep cellariers, long, lined drawers, every sideboard is provided for.

These are but one style in our side-board congress of nations.

Lookers always welcome.
